## Consistent Benefits

Zefrox Attributes	Benefits for Doctor	Benefits for Patient
Once Daily Dosage	Assures Prescription Compliance	Convenience of dosage
Cost Effective	Enhances Prescription Compliance	Affordable to all classes of patients
Excellent Efficacy Profile	Doctor's Confidence	Early Recovery
Excellent Safety Profile	Excellent Safety Profile	Ideal for Pediatrics
ISO 9001 : 2000 Certified	Assured Quality	Get Expected Results
Plastic Ampoule of sterile water for inj.	Safe to use	Minimum Chances of Infection
M/IV Option	Flexible administration	Ease for the Patients

### Handling of Ampoule

Exposure of ampoule to unhygienic conditions

Just twist

### Breaking of Ampoule

Difficult to break & could be injurious to the health care provider

No needle required for filling

### Exposure of Needle

Chances of infection since needle is exposed

Minimum Chances of infection since needle is not exposed

### Glass Particles in Ampoule

Possibility of impurities addition (Glass Particles)

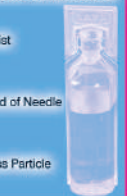

### Minimum Chances of Infection

Just Twist

No Need of Needle

No Glass Particle

### Handiness of pack

Chances of Breakage & Leakage
